# **Baby Bedding Designs and Themes Preferred by Many**

Baby bedding is one of the very first things that soon-to-be parents never fail to prepare. Its preparation brings so much excitement for parents that even before the baby is born, his bedding is all set to use and waiting for him in the nursery room. Here are some baby bedding designs and themes that may capture your interest like everyone else's: Enchantment Baby Bedding, High Flying Monkeys Baby Bedding, Elephant Walk Baby Bedding, Little Boy Blue Baby Bedding, and Cars & Trucks Baby Bedding.

### Enchantment Baby Bedding

This is obviously designed for your baby princess. Sleeping in this comfy and grandeur mattress, is like sleeping in fairytale land. This very feminine theme is preferred especially for a first baby girl in the family. The set is complete with a 4-piece bumper, crib skirt, fitted sheet and a coordinating blanket. Aside from these, it's got a diaper stacker, toy bag, decorative pillow, mobile and extra crib sheets.

### High Flying Monkeys Baby Bedding

This theme is best for pilot-to-be babies. The combination of the indigo color, and red stripes with the flying monkey design could set the mood for an adventurous flight. The four-piece set comes with a crib bumper, crib sheet and crib ruffle. They are made from fabrics of high quality and best for babies.

### Elephant Walk Baby Bedding

The theme resembles a jungle-like environment. Elephants with their raised trunks show their friendliness to the babies. This kind of them could make babies animal friendly when they grow up. The bumpers have pleated ruffle top and large elephant prints for babies to have fun looking at.

### Little Boy Blue Baby Bedding

This is the boy version of the Enchantment Baby Bedding on top. This gorgeous bedding set is tailored to a royal prince. Looking at the attractive ruffle trimmed bumper, polka dot fitted crib sheet, and beading trimmed crib skirt, you could say that this is indeed a royal collection made for the next Prince William.

### Cars & Trucks Baby Bedding

This theme on vintage cars is unique in its own way. It's got a masculine yet boyish touch, perfect for a baby boy. Exposing your baby to the busy streets with this theme on cars and trucks is a good way to start seeing the outside world.

Baby bedding is the centerpiece of the nursery room. It helps provide life, color and atmosphere that could set the baby's mood. It's so much fun to coordinate themes, accessories and custom look for the nursery's baby

bedding but everything should be carefully secured to ensure that that baby sleeps safely and soundly splendid comfort and style.
